The Supplier agrees that as soon as it becomes evident, the Supplier will immediately provide written notice to Pall of any material delays in its ability to meet the delivery date. If Supplier fails to commence work on the Goods on receipt of the Purchase Order, or it appears to Pall that Supplier is not proceeding diligently with performance which is not rectified within five (5) days from written notice by Pall, or that it may not be able to complete the delivery of the Goods by the required date, or Supplier fails to do so, Pall may terminate the Purchase Order or any part thereof at any time in accordance with the termination provisions of these terms and conditions.
- 7.4 Without prejudice to any other right or remedy, if Goods are not delivered on the required due date(s), or without certificates, identification or documentation in full compliance with Pall's requirements, Pall shall be entitled to refuse the Goods. In that event Pall shall also be entitled to recover from Supplier, by way of liquidated damages and not as a penalty (either directly or by deduction from any monies due or which become due to Supplier) a sum equivalent to 1% of the Purchase Price for each week's delay up to a maximum of 10% of the Purchase Price (or such other amount as may be specified in the Purchase Order). Pall may, in its absolute sole discretion and under no obligation to do so, extend the delivery due date(s) by notice in writing given to the Supplier.
- 7.5 Delivery shall not be deemed complete until all Goods and all other related deliverables (including manuals and all other documentation) and services have actually been received and accepted by Pall, notwithstanding any prior payment or agreement by Pall to pay transportation charges.
- 7.6 Goods delivered in excess of the amount specified in the Purchase Order or incorrectly delivered against the Purchase Order may be refused and returned at Supplier's expense. Pall shall have no obligation to pay for any Goods (including any services) performed in excess of that called for or required by the Purchase Order.
- 7.7 Unless otherwise specified in the Purchase Order, delivery terms shall be Free Into Store (FIS Incoterms 2000) to Pall's facility or designated shipment point and Supplier shall bear shipping costs and risk of damage to or loss of the Goods until the Goods are delivered and unloaded at Pall's facility or designated shipment point and delivery acknowledged by Pall.

The risk of loss or damage in transit shall always remain with the Supplier.

8. INSPECTION

- 8.1 Pall may, at reasonable times, upon reasonable notice, perform such inspections and/or audit of Supplier's facilities, as Pall deems necessary to satisfy itself that the work on the Goods and/or the performance of the services meets the requirements of the Purchase Order and of Supplier's compliance with applicable laws and regulations and these terms and conditions.

9. DEFECTIVE GOODS OR SERVICES

- 9.1 If any Goods are defective or fail to meet the requirements of Pall's Purchase Order or the warranties set out in these terms and conditions during the Warranty Period (as defined below), Pall reserves the right, at out sole discretion, to either: -
- (a) require Supplier to remedy, at Supplier's own expense, any defects that may arise in the Goods and any related work; or

 - (c) carry out any necessary rectification and then charge Supplier's account for such work; or

- 9.2 "**Warranty Period**" shall mean the longer of: (i) 18 months after the date the Goods are received by Pall; or (ii) 12 months after the date that the Goods have been put into service for their specified use; provided, however, that in the event a defect or non-conformity to the applicable specifications arises within such period but does not become apparent until such period has expired, the term Warranty Period shall mean the period commencing on the date such defect or non-conformity became apparent and ending 12 months thereafter. The Warranty Period in respect of any repaired, replaced or corrected Goods shall recommence for a further period of 12 months from the date of completion of the repair, replacement or correction of the defect or damage.
- 9.3 Pall's rights under clause 9.1 are, where permitted, in addition to any other right or remedy available under statute or at law including with respect to any claim for damages for any defective, non-complying Goods (including services) which Pall becomes aware of, notwithstanding the expiration of the Warranty Period.

- 10.1 Supplier shall comply with all relevant statutes, laws, regulations, and by-laws affecting the making or delivery of the Goods under the Purchase Order.
- 10.2 Supplier shall provide Pall with all information, documentation, permits or licenses if any, as is reasonably necessary to assist Pall in importing, transporting, using, handling, storing and distributing the Goods in compliance with all applicable laws and regulations, including but not limited to a completed Material Safety Data Sheet in a form which meets or exceeds the regulations set out in the Occupational Health and Safety standards and the Philippines Inventory of Chemicals and Chemicals substances. Supplier agrees to hold Pall harmless from and against all liabilities, claims, fines and penalties that may arise out of the transportation, delivery, use, handling, storing and/or distribution of the Goods resulting from any such information that does not meet the foregoing requirements.
- 10.3 Without limiting the generality of clause 10.2, Supplier shall provide Pall in writing, with such information relating to any materials supplied and /or used by Supplier in connection with the Goods and Pall's Purchase Order and its design, testing, condition and use as is necessary to ensure it will be safe and without risk to health when properly handled, stored, transported and used. Supplier shall pay all damages, costs, charge, expenses and legal fees incurred by Pall (including without limitation those awarded against

Such insurance policies shall name Pall as an additional insured and shall waive any rights of subrogation against Pall. The insurance policies shall in no way define or limit the obligation of Supplier in the event of loss.

- 12.1 In the event of any default by Supplier in the performance of any obligations, including without limitation the failure to deliver any Goods or failure to carry out Pall's reasonable instructions, Pall may, where such default is capable of remedy give Supplier written notice to rectify such default in a specified time. If Supplier fails to comply with the requirements of the notice, or in Pall's sole opinion Supplier's default is incapable of remedy to Pall's satisfaction, Pall shall be entitled to terminate the Purchase Order in whole or in part, by serving notice in writing to Supplier to such effect, which termination shall be effective within 10 days from Supplier's receipt of Pall's notice of termination, without prejudice to any other rights under the Purchase Order or otherwise, and shall have the right to retain any Goods previously supplied under the Purchase Order.
- 12.2 Without limiting any of Pall's common law rights, Pall shall be entitled to terminate its Purchase Order, with immediate effect, if:

Waste, loss or damage to such materials arising from poor workmanship or Supplier's failure to maintain such materials in good order or condition shall be made good at Supplier's expense, replacements being of equivalent quality and specification and subject to Pall's approval.

14. INTELLECTUAL PROPERTY RIGHTS

- 14.1 Any Specification supplied by Pall to Supplier, or specifically produced by Supplier for Pall, in connection with Pall's Purchase Order, together with the copyright, design rights or any other intellectual property rights in the Specification or anything made, delivered or performed by Supplier in which intellectual property rights may subsist, shall be Pall's exclusive property. Supplier shall not disclose to any third party any such Specification or other proprietary information except to the extent:
- (a) that it is or becomes public knowledge through no fault of Supplier,
 - (b) as required by law, regulation or court order provided that Supplier gives Pall immediate written notice of such legal requirement and cooperate with Pall's attempts to acquire an injunctive or protective order and, provided further, that in the event that such attempts are not successful, the proprietary information will be disclosed only to the extent that is legally required, or

Unless otherwise agreed in writing, Supplier shall not be entitled to use such information to develop or apply for any intellectual property rights, whether rights to patents, designs, trade secrets, copyrights, databases, know-how or otherwise, registered or unregistered, including applications or forms of protection equivalent or similar in effect to any of such rights anywhere in the world.

16. VARIATIONS

- 16.1 Pall may by written notice or change order make any changes to the Purchase Order, including changes to the quantities originally ordered, the Specifications, drawings or delivery date(s). Supplier shall perform all variations to the work required by Pall without delay. Supplier shall promptly advise us in writing of the reasonable effect of the change on price and delivery and an equitable adjustment shall be made, to the extent deemed necessary by Pall. Any claim for adjustment must be asserted and written notice thereof provided by Supplier to Pall within 30 days from the date the variation is ordered. Unless Pall disputes the notice (which Pall may do so at any time), Pall will accept the effect on price and delivery (without affecting the balance of the terms and conditions). If Pall does dispute the effect, and if the parties cannot resolve the dispute by agreement between the contract managers for each party, the parties must meet and agree the effect and if they cannot agree, then it is to be determined by an independent engineering expert acting as an expert and not as an arbitrator appointed by Pall whose costs are borne by Pall and Supplier equally. The rules of the expert determination process shall be the Philippine Dispute Center Inc. of the Philippine Chamber of Commerce & Industry. The Expert's decision, after receipt of submissions by the parties, will be binding on the parties.
- 16.2 No variation or qualification of the Purchase Order, these terms and conditions or the Specifications shall be valid unless agreed by Pall in writing. Any action on Pall's part in variance with such documents shall not constitute a waiver of them and Pall shall continue to be entitled to rely upon all the terms and conditions. Pall shall also be entitled to rely on any statement, warranty, or representation made by any of Supplier's employees or agents.
- 16.3 Supplier shall carry out variations which are required, and which have arisen as a result of an act or omission or default of Supplier, at Supplier's own cost.

17. FORCE MAJEURE

- 17.1 Neither Pall or Supplier (each a "Party") shall be liable for delays or defaults caused by an unavoidable or inevitable event which could not have been prevented by prudence, diligence or care by such party, such as acts of God, acts of government, fires, floods, natural disasters, wars, riots or acts of civil or military authorities, provided that the party affected by such event (i) promptly notifies the other in writing of the event and how long it anticipates the circumstances to continue and (ii) takes all reasonable steps to avoid further delay and to proceed with the due performance of its obligations under the Purchase Order.
- 17.2 Notwithstanding the foregoing, Pall shall have the right to terminate this Purchase Order if the delivery of Goods is delayed more than 60 days due to such event, without additional liability to either party.

18. SUB-CONTRACTING

- 18.1 Pall's Purchase Order is placed subject to the work being carried out by Supplier and no assignment, sub-contracting or transfer is permissible without specific prior arrangement with Pall in writing. No assignment or subcontract (even with Pall's consent) shall relieve Supplier of any obligations under the Purchase Order. Any purported assignment, transfer or subcontract without such written consent shall be void and ineffective.

19. ANTI-BRIBERY CERTIFICATION

- 19.1 Supplier certifies that (i) it shall comply with all applicable anti-corruption and anti-bribery laws and regulations, including without limitation, the UK Bribery Act, U.S Foreign Corrupt Practices Act and any local anti-bribery

legislation, and (ii) all information provided by Supplier to Pall during Pall's pre-contractual due diligence process (including any due diligence documentation, if any) is complete, truthful and accurate.

20. CLAIMS

20.1 All losses, damages, liabilities, claims, demands, costs, charges or expenses for which Supplier is liable to Pall may be deducted from any monies due or becoming due to Supplier, or may be recovered from Supplier by action at law or otherwise.

21. WAIVER, SEVERABILITY AND OTHER

21.1 No waiver or forbearance by Pall of any of its rights under the Purchase Order or any provision(s) of these terms and conditions shall preclude Pall from enforcing any of its legal rights whatsoever.

21.2 If anything in these terms or conditions or Purchase Order is unenforceable, illegal or void, then it is severed and the rest of the terms and conditions or Purchase Order remains in force.

21.3 No rule of construction shall apply to the disadvantage of any party on the basis that the terms and conditions or Purchase Order was drafted by that party.

22. SURVIVAL

22.1 All provisions of these terms and conditions and the Purchase Order setting out representations, warranties, indemnification obligations, confidentiality, non-solicitation and non-competition obligations by either party, all obligations which occurred prior to termination of the Purchase Order and the general provisions herein shall survive the termination, cancellation and expiration of the Purchase Order.

23. GOVERNING LAW

23.1 This Purchase Order and the relationship between Pall and the Supplier shall be governed by and construed according to the laws of the Philippines and any dispute or claim of whatever nature, whether for breach of contract or otherwise, arising out of or in any way in connection with these terms and conditions and the Purchase Order (including any question regarding its existence, validity or termination) shall, at the option of the party initiating the action, be referred to either the proper courts of Makati City, Philippines or to arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre ("**SIAC Rules**") for the time being in force, which rules are deemed to be incorporated by reference into this paragraph, save that Rule 32 of the SIAC Rules and the provisions of the International Arbitration Act (Cap. 143A) shall not apply. In the case of Arbitration, the Arbitrator will be appointed by the chairman of the Singapore International Arbitration Centre. The language of the arbitration shall be English and the arbitration award shall be final and binding on the parties.

24. ENTIRETY

24.1 Pall's Purchase Order, these terms and conditions of purchase, the Specification and confidentiality agreement, if applicable, constitute the entire agreement between Pall and Supplier and supersede all prior understandings and agreements written or oral. Should any error, omission, deficiency, ambiguity, or contradiction occur within the various parts of the Purchase Order documentation or between the documentation and any applicable code, law or statutory regulations, Supplier shall immediately and in writing, bring the same to Pall's attention, and shall not proceed or continue with those obligations affected until written clarification by Pall has been received. Any and all additional costs incurred by either party as a result of Supplier failing to notify Pall shall solely be to Supplier's account.
